Job Description: Project Associate - DIB on Assessment Reforms

Location: Delhi

Role Context

Peepul is participating in an **FLN focused DIB** (Development Impact Bond).

This will be a **5-year project with The South Delhi Municipal Corporation (SDMC)** starting with a learning year (July 2022 onward) followed by 4 years of outcome-based funding (Academic year 2023-24 onward).

SDMC currently runs 581 primary schools – this includes ~6000 teachers and ~250,000 students.

Peepul has been working with SDMC since 2015. This strong relationship has run through 3 programmes – **Exemplar schools, Teacher training (Sitara) and System Strengthening (Parivartan).**

To further deepen our engagement and impact in SDMC we believe an investment in **effective assessments can be the catalyst to drive improvement in student learning outcomes.**

Assessments are at the core of the student learning, as they diagnose learning gaps and help teachers frame need-based learning plans. Factoring this, as well as the learning loss from two years of school closures due to COVID, we are implementing a **5-year project under a larger FLN focused DIB (Development Impact Bond)** that aims to roll out a series of academic, governance and technology reforms aimed at strengthening assessments across SDMC.

Over these five years, Peepul will build the **systemic understanding and competency in implementing high-quality student-learning focused assessments.**

This will be done by reviewing existing practices, co-creating Standard Operating Protocols for conducting high-quality assessments, conducting trainings for officials, etc.
